

전기역학 I(이) (PHY203a-01)

학기	2026년 2학기
담당교수	홍정일
이수구분	교선평수
학점	3.0
강의시간	월09:00-10:30(E7 - L22), 수09:00-10:30(E7 - L22)
강의실	
소속	기초학부

교과개요

Overview of the theory on electricity and magnetism. Development of Maxwell equation and their physical meanings will be discussed in the class.

교과목표

Basic understanding of Maxwell equations. Physical meanings of electric and magnetic fields and related energies.

수업방법

In-class lectures and discussion.

학습윤리

Standard academic ethics.

교과정책(방침)

Complete understanding during the class hours is encouraged.
